DAHLIA range Plates

Wiring device system specific for installations in round and square boxes, characterized by an elegant appearance and classic shapes. The plates, realized in technopolymer in seven colors and in different modularities, from 2 up to 2+2+2+2+2 gang, are installable indifferently in horizontal or in vertical position. The range, developed around a core of monobloc devices, is available in two colors: white and ivory, in glossy finish. Expandable thanks to the Chorus modular devices.

Colour	Light grey	**Material**	Technopolymer
Type	Horizontal/Vertical	**Centre distance**	71 mm
Finishing	Glossy	**Description**	2+2+2+2 gang
Glow wire test	650 °C	**Thermo-pressure with ball**	70 °C
